¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

THE BOARD LAYS SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Roles and Responsibilities of the Board

The Board is responsible for the corporate governance structures and practices of Fleetwood and its subsidiaries (**Group**). The Board Charter details the Board's role and responsibilities, and matters expressly reserved for the Board, which include:

- approving the strategic direction of the Group and monitoring implementation of the strategy;
- selecting and appointing the Managing Director & CEO, determining conditions of service and monitoring performance;
- approving the conditions of service and monitoring performance of the Chief Financial Officer, Company Secretary and other senior executives;
- monitoring financial outcomes and the integrity of reporting;
- setting limits of authority for committing to expenditure, entering into contracts and acquiring businesses;

- ensuring the Board is and remains appropriately skilled to meet the changing needs of the Group.

The Managing Director & CEO is responsible for the day-to-day management of the Group. A formal delegations structure is in place which sets out the powers delegated to the Managing Director & CEO. The Board reviews these delegations annually.

The executive team is listed along with biographical details on our website at fleetwoodcorporation.com.au/board-and-executives/. The executive team is responsible for operating within the risk appetite set by the Board and for providing the Board with timely and clear information to enable the Board to perform its role and responsibilities.

The Company Secretaries are accountable directly to the Board, through the Chairman, on all matters to do with the proper functioning of the Board.

THE BOARD IS STRUCTURED TO ADD VALUE

Board Composition and Independence

The Board currently comprises six Directors (five independent Non-Executive Directors and one Managing Director & CEO): Non-Executive Chairman Phillip Campbell, Managing Director & CEO Brad Denison and Non-Executive Directors Jeff Dowling, Adrienne Parker, Mark Southey and Martin Monro.

The Board acknowledges the importance of independent Directors to a high-functioning Board. Fleetwood's Board Charter requires that a majority of the Board be comprised of Non-Executive Directors and that the Chairman be an independent Non-Executive Director.

Details of the Directors (including their

qualifications, experience and length of service) can be found in the Board of Directors section of our 2020 Annual Report.

Director Appointment and Election

The Nominations & Diversity Committee assists the Board with the selection and appointment of Directors and in doing so, ensures that appropriate background checks are undertaken prior to putting any candidate forward for election.

Newly appointed Directors participate in an induction program which includes the provision of Company due diligence documents, meetings with executives and management, site visits to key operations, and discussions with other Directors. The induction program introduces the Director to the financial, strategic, operational, and risk management systems, as well as the culture and values of Fleetwood.

The duties and responsibilities of newly appointed Directors are described in an offer letter and employment contract. The Company also has written agreements with each senior executive setting out the terms of their appointment.

With the exception of the Managing Director & CEO, directors are elected for three years and must retire from office no later than the third Annual General Meeting or three years following the Director’s last election or appointment, whichever is last to occur. Retiring Directors are not automatically re-appointed however are eligible for re-election. Any Director who has been appointed during the year must stand for re-election at the next Annual General Meeting.

Performance Assessment

The Board continually assesses its performance

and undertakes a structured annual review of its performance, as well as the performance of each Committee and individual Directors. The Board periodically engages external consultants to facilitate a formal Board performance review.

During FY19 and FY20, the Board completed an external review of the Board's and each Committee's performance, during which an external consultant held individual discussions with each Director and the Company Secretaries. The consultant also presented their findings of the review process to the Board as a group.

A review of the performance of all senior executives is undertaken annually by the Managing Director & CEO in consultation with the Board. Executive performance is evaluated by reference to the financial results of the applicable operating entity and relevant key performance indicators. Individual performance targets are derived from position descriptions, key responsibilities and objectives which are in turn aligned with business strategies identified annually during the business planning process following the Board's sign-off of budgets. Financial performance targets are derived from budgeted or forecast EBITA above a qualifying gate which is considered an appropriate measure of the Company's profitability.

Continuing Development of Directors

The Board received various presentations and briefings throughout FY20 on a range of topics tailored to professional development, key industry events and the ongoing responsibilities of the Board. The Board also has access to all relevant information, including joint and independent discussions with management and subject matter experts in addition to site visits to observe operations.

Diversity and Inclusion

The Board has adopted a Diversity Policy which supports and promotes the achievement of diversity in gender, ethnicity, religion, culture, language, sexual orientation, disability, and age.

In accordance with the Diversity Policy and ASX Recommendations, Fleetwood established measurable objectives which are intended to work towards achieving gender diversity.

Those objectives and the progress towards achieving those objectives are described below.

At Fleetwood, our values and Code of Conduct are an integral part of our business. In December 2019, the Board adopted a whistleblower policy in accordance with Australia's recently enhanced whistleblower protection laws.

Code of Conduct

The Company's Code of Conduct establishes standards of ethical behaviour and practices necessary to comply with legal obligations. Other Policies

The Company has a policy on share trading by directors, key management personnel and senior managers. This policy is available on our website at fleetwoodcorporation.com.au/corporate-governance/. Due to the limited financial products available to facilitate hedging of unvested or vested options or share units and the operation of clause 206J of the Corporations Act (Cth) 2001 (No hedging of remuneration of key management personnel) the Board is of the view that it is not relevant for the policy on share trading to address such transactions and therefore does not comply with item 8.3(a) (hedging of equity based remuneration) of the ASX Recommendations.

THE BOARD RECOGNISES AND MANAGES RISK

Risk Management

Fleetwood is committed to the identification, monitoring and management of material risks (including economic, environmental and social sustainability risks) associated with its business activities. Fleetwood's risk framework is based on International Standard ISO 31000:2009 and forms the basis for the Company's risk management activities.

The Company manages its operations as autonomous divisions. Management of each division is required to design and implement risk management policies and internal control systems, based on the Company risk management framework, to mitigate and manage the material risks of the division. Key financial risks, together with management's approach to mitigating those risks are outlined in the Annual Report. Other risks, such as social sustainability and environmental risks, if and when they arise, are identified and managed within the Group risk management

processes.

During the reporting period, the effectiveness of the internal control systems of each division in mitigating and managing the material risks were periodically reported to and reviewed by the Audit & Risk Committee.

The Group Risk Management Policy, and Environmental Policy are available on our website at fleetwoodcorporation.com.au/corporate-governance/.

Internal Audit

The Audit & Risk Committee monitors the need for an internal audit function having regard to the size and complexity of operations. Currently, Fleetwood does not have a formal internal audit function.

In respect of financial risks, Fleetwood utilises accounting controls and reconciliations, segregation of duties, documented policies and procedures, regular management reporting, annual budgeting as well as physical security over company assets as part of its internal control environment. Fleetwood periodically undertakes an internal review of these controls and implements any improvements which are identified. Board interaction with the Company's external auditor also provides additional oversight.

In respect of health and safety risks, Fleetwood has implemented a comprehensive Workplace Health and Safety Management System, which is reviewed and audited annually.

Other risks are monitored and managed by management as overseen by the Audit & Risk Committee.

The Managing Director & CEO, Chief Financial Officer and the external auditor attend Audit & Risk Committee meetings at the discretion of the Committee.

Fleetwood's executive remuneration objectives and approach are set out in the Directors' Report, which is contained in the 2020 Annual Report.

Remuneration Committee

The Remuneration Committee is responsible for determining the remuneration of Board members, executives and key management personnel.

The Remuneration Committee has five members which are all independent Non-Executive Directors. Mark Southey is the chair of the Remuneration Committee.

During the year the Remuneration Committee reviewed, amongst other matters:

- conditions of service and remuneration of the directors, executives, and key management personnel;
- remuneration policies of the Group; and
- proposals for new issues under, or changes to, the Company's long term incentive plan.

The Remuneration Committee has authority to seek independent legal, financial, remuneration or other advice it considers necessary to achieve its objectives and fulfil its responsibilities. In doing so it may invite external consultants and/or executives to its meetings to seek input on the Group's remuneration policies, however no senior executive is directly involved in deciding their own remuneration.
